Instructions:

1. Fold a 5-1/2" x 8-1/2" piece of Soft Suede CS in half to create a card base. Glue a 4" x 5-1/4" piece of Very Vanilla CS to the back inside of the card base.
2. Die-cut and punch a variety of leaf shapes using Crumb Cake, Old Olive, Daffodil Delight, and Pumpkin Pie CS. Randomly glue the leaf shapes to a 3-13/16" x 5-1/16" piece of Very Vanilla CS with Multipurpose Liquid Glue; allow to dry completely. Using the large fern die-cut, add texture to the front of the card stock piece by dry embossing in several locations. The "sandwich" for dry embossing using a die-cut is: Plate #1, plate #2, card stock piece facing upwards, die-cut facing down, Silicone Craft Sheet, and plate #4. Glue the embossed card to the center of the 4" x 5-1/4" piece of Pumpkin Pie CS. Mount to the center front of the card base.
3. Die-cut "thanks" from a piece of Soft Suede CS and a shadow "thanks" from a piece of Very Vanilla CS. Glue the die-cuts together with Multipurpose Liquid Glue. Mount to the center top of a 1-3/4" x 4" piece of Crumb Cake CS. Wrap a

piece of ribbon around the card stock below the thanks die-cuts and tie a knot; trim ribbon ends. Glue the card stock piece to the card front slightly above center.

4. Randomly add Gold sequins to the card front.
5. Add a couple of die-cut leaves to the bottom right corner of the Very Vanilla CS piece on the inside of the card.
