## Instructions:

1. Score card base at 4 ¼" on the long side and fold.
2. On Basic White layer stamp the sentiment, branch with leaves, large leaves and the vine back and forth 3 times with ends meeting to form a long vine; using Memento Ink Tuxedo Black Pad. Using the same pad stamp the monkey that fits into the punch and 3 non-peeled bananas and 1 peeled banana on scraps.
3. Allow images to dry several minutes, then color using the Stampin' Up! blends listed.
4. Punch out the monkey image and the 3 non-peeled bananas. Fussy cut the peeled banana.
5. Layer the Basic White layer onto the Lemon Lolly layer; then onto the Copper Clay layer and finally on the card base using Stampin' Seal Adhesive.
6. Using Stampin' Dimensionals pop-up the monkey as if hanging from the vine and pop-up the peeled banana image in his other paw. Glue dot the remaining three bananas together in a bunch and add to bottom left by leaves with a glue dot.
